

## NORWEGIAN ARMY OFFICER IN CITY

Lieut. Boe Comes to Look Over  
Immigrants from His Country  
in Virginia.

## WILL CONFER WITH COMMISSIONER KOINER

Visitors Regard Unoccupied Farms of  
This State as Fine Place for His  
Countrymen—Steamer Norvega in  
Port From Christiania With Freight  
and Passengers.

Among the passengers arriving on the Norwegian steamer Norvega, which came into port yesterday morning from Christiania, Norway, was Lieutenant Justus H. Boe, of the Norwegian army, who is on a visit to Virginia for the purpose of looking over the situation in this State as to immigrants from Norway, and to work up business for the Norway-Mexico Gulf Line. Lieutenant Boe was introduced by Captain J. E. Williams, local immigration inspector, to President W. Lee Powell, of the Chamber of Commerce, and Mr. Powell went over the local situation with the army officer.

Lieutenant Boe will leave this morning for Norge, the Norwegian settlement on the Chesapeake & Ohio railway, just north of Williamsburg, and later will continue on to Richmond to hold a conference with State Agricultural and Immigration Commissioner Koiner relative to sending Norwegians to Virginia to develop unoccupied farm lands. The lieutenant believes that Virginia is a good field for his people and he expects that hundreds of them will come here on the Norway-Mexico Gulf line to settle on the farms and in the cities.

**Passengers Aboard Norvega.**  
Seven first-class passengers, eighteen third-class passengers and two stowaways arrived on the Norvega and the passengers disembarked here. They were: First class—Lieutenant Boe, Ala B. Rude and Marie H. Rude, bound for Brooklyn; Erik Ryming, for Newport News; John Janson for Springfield, Ohio; Marcia Janson for Springfield, Ohio, and Stephen Rasmussen for Mobile, Ala. Third class—Mathias Rabek, for Claremont, Va.; Bernard Seland, Hans Pedersen, Soren Nielsen, Peter Kadsen, Abiel Hansen, Tybring, Anderson, Frithjof Olsen, Arne Pedersen, Fens Salsen, all for Tampa, Fla.; and Harald Werner and Frithjof Hansen, sailors, who came here to sign with the crew of the steamer Vitalia, now in Hampton Roads; Ralph Neilson, Alf Hansen, Ole Thorsen, Ole Olsen, and Carl Hansen, all for Newport News, and Carl Hugo Neilson for Chicago.

**Stowaways Ordered Deported.**  
Eugene Pederson and Ogot Hendricks were the stowaways on the steamer. They were given a hearing by a special board of inquiry, composed of Immigration Inspectors J. E. Williams, J. C. Williams and Edloe Morecock and ordered deported as they were without funds and friends in the United States and were liable to become charges on the country. They are now in the city jail and will be sent back to Norway on an outgoing steamer.

Besides the passengers, the Norvega brought a large quantity of freight, which she is discharging at Chesapeake & Ohio pier No. 8. The vessel is to load exports here for Havana, Cuba, and Vera Cruz, Mexico.

Captain Hansen reported upon his arrival that his ship received by wireless Monday night the result of the Johnson-Jeffries prize fight at Reno. The men on the Norvega and the passengers were interested in this battle and the wireless operator, John Warmold, picked up a message announcing the result while the Norvega was off the coast of the United States enroute here. The message was flashed to sea from one of the wireless stations at New York.

## THOSE MOONLIGHT EXCURSIONS.

Another Tonight C. & O. S. P. M.  
The third of the series of Moonlight Excursions conducted by the Presbyterians will leave the C. & O. pier at 8 o'clock and Old Point at 8:45 tonight. Those who have been on either of the former trips will be sure to go again. There will be an abundance of room for all others who want to keep cool, because the Smithfield is a large steamer and can easily carry more than twice the number who go. Speak to your friends and neighbors, get up a little company of your own and enjoy a delightfully cool and refreshing evening together on the waters.

The two excursions already run have proven their popularity, they have been universally spoken of as being perfectly organized and admirably conducted. You may count on their leaving and departing on schedule time, carrying a company which would insure a pleasant evening under any circumstances, and providing a most delightful close to a hot summer day. Go tonight. They leave at 8.

## TO BAR PICTURES HERE

Mayor and Police Chief Want  
Them Kept Away.

## MAY CALL UPON COUNCIL

Colonel Jones Will Look Into Question of Whether or Not He Has Authority to Prohibit Showing of Moving Pictures of Fight.

While no formal action has yet been taken by the authorities, it is practically certain that displays of the moving picture reproduction of the fight between James J. Jeffries and Jack Johnson at Reno last Monday will not be permitted in Newport News.

Both Mayor Jones and Chief of Police Mitchell are opposed to the showing of the pictures, as both realize that it is likely to stir up race hatred and cause trouble between the white people and the negroes. While there were no outbreaks following the announcement of the result of the fight here Monday evening, trouble smoldered and but for the precautions taken by the police and the heavy rain which kept nearly everybody indoors, trouble very probably would have occurred.

## May Ask Council to Act.

Mayor Jones said yesterday that he will today ascertain whether or not he has the power to prohibit the showing of the pictures in this city and if he has that power he will use it. If the mayor has not the power, the city council will be called upon to act. It is probable that the council will be asked to pass a special ordinance imposing a heavy fine and jail sentence upon the proprietor of any moving picture show house or any other person or persons who show the pictures within the corporate limits of the city.

It goes without saying that all of the ministers of the city are bitterly opposed to the showing of the pictures and it is more than probable that several of them will preach special sermons upon the subject next Sunday. Practically all of the conservative element of the city is against the pictures. Many remember the action of the negroes at the Academy of Music when the fight pictures of the Johnson-Ketchel bout were shown, and are confident that trouble would follow the presenting of the pictures of Monday's fight.

**Governor's Statement.**  
Governor Mann yesterday issued a statement asking the mayors of all of the cities of Virginia to prohibit the showing of the pictures. Mayor Reed, of Norfolk, acted Tuesday and the police commissioners of Richmond issued an order yesterday prohibiting the reproduction of the pictures.

It is more than likely that the mayor of Norfolk will take the same action as there was serious trouble in that city following the fight Monday night.

## THIRTY-ONE DEATHS AND NINETEEN BIRTHS

Dr. T. J. Pretlow, City Health Officer, Submits Monthly Report to Mayor.

Dr. Thomas J. Pretlow, the city health officer, yesterday forwarded his health report for the month of June to Mayor Jones. This report shows that there were 35 deaths and nineteen births in the city during the month. The general health of the city is reported as good and but few cases of contagious diseases were reported.

Of the thirty-five deaths reported, seven were white males, eight white females, six colored males, thirteen colored females and one male Chinese.

Causes of death were: Infanility; cancer; 3, marasmus; 2, bronchitis; pneumonia; 2, ilio-colitis; 6, colitis; 1, pulmonary tuberculosis; 3, gastritis; 1, murdered; pistol; 1, acute indigestion; 1, valvular heart disease; 2, apoplexy; 1, nephritis; 2, typhoid fever; 2, meningitis; 1, pernicious anemia; 1, suicide; 1, cholera infantum; 1, cirrhosis of liver; 1, accidentally drowned; 1.

Only six white babies were born during the month, two males and four females. There were seven colored males and six colored females.

Dr. Pretlow reports that six houses were fumigated, three following pulmonary tuberculosis, two following scarlet fever and one following diphtheria. The milk was tested and found to be up to the standard required by the city ordinance.

In closing his report, Dr. Pretlow calls the mayor's attention to the number of pools of stagnant water in the city and recommends that they either be filled in with dirt or covered with oil as these places breed vast numbers of mosquitoes, which not only make life miserable, but are dangerous to the public health.

## Important Business for Tent.

A special meeting of Newport News Tent No. 12, Knights of the Maecia, has been called for this evening at 8 o'clock. It is stated that business of the utmost importance is to be disposed of, and a large attendance of the members is expected.

## NO BAND OR POLICE FOR JOHNSON PARADE

"Nothing Doing," Remarks Chief of Police Stewart of Chicago When Asked for Permit.

(By Associated Press.)  
CHICAGO, July 6.—"If a white man wants to meet a black man in the prize ring and gets 'licked' why that's his business, and the permit you want is up to the chief of police."

With these orders Mayor Busse today frowned on a request for permission to hold a welcoming parade for Jack Johnson upon his return here tomorrow. The delegation seeking the permit wanted a brass band and an escort of police. They next appealed to Police Chief Stewart.

"Nothing doing," remarked the chief. "I don't think such an affair should be dignified by an escort and band. If you want to have a few automobiles at the train it's all right. It isn't a public occasion."

As to the exhibition of motion pictures of the fight the mayor said that what other cities were doing would not influence him.

"Any way we'll cross that bridge when we come to it," he added.

## Many Drunks Fined.

An unusually large number of drunks faced Justice Brown in the police court yesterday morning, and each drew a fine of \$3.50, but the fine of one was remitted. Few of the men could pay up and those who were shy of the coin went to jail for ten days.

## NORTH END SIGNS NEW PLAYER.

N. L. Beville, Randolph-Macon Star, to Play With Champions.

Norville E. Beville, star catcher of the Randolph-Macon baseball team, has been signed by the North Enders and will play in the double-header between the locals and the Artillerymen at the Casino park Saturday. Besides being a fine backstop, Beville is a slugger. He was among the best batters on the Randolph-Macon nine both this season and last year.

Don Bryan, the regular catcher of the North Enders, probably will be used in the infield for North End Saturday. It is probable that he will cover first base, Hudson going to second base and Harry Shawen returning to his old position at shortstop. This switch would give the North Enders a fine infield.

## Mrs. Vaden Operated Upon.

Mrs. W. C. Vaden, widow of the late Rev. W. C. Vaden, was taken to the Elizabeth Buxton hospital and underwent a severe operation yesterday. Mrs. Vaden stood the ordeal nicely, but suffered greatly from nausea as the result of the anesthetic. Mrs. Vaden is well known in this city.

## A Storekeeper Says:

"A lady came into my store lately and said:  
"I have been using a New Perfection Oil Cook-Stove all winter in my apartment. I want one now for my summer home. I think these oil stoves are wonderful. If only women knew what a comfort they are, they would all have one. I spoke about my stove to a lot of my friends, and they were astonished. They thought that there was smell and smoke from an oil stove, and that it heated a room just like any other stove. I told them of my experience, and one after another they got one, and now, not one of them would give hers up for five times its cost."

The lady who said this had thought an oil stove was all right for quickly heating milk for a baby, or boiling a kettle of water, or to make coffee quickly in the morning, but she never dreamed of using it for difficult or heavy cooking. Now—she knows.

Do you really appreciate what a New Perfection Oil Cook-Stove means to you? No more coal to carry, no more coming to the dinner table so tired out that you can't eat. Just light a Perfection Stove and immediately the heat from an intense blue flame shoots up to the bottom of pot, kettle or oven. But the room isn't heated. There is no smoke, no smell, no outside heat, no drudgery in the kitchen where one of these stoves is used.

Cautionary Note: Be sure you get this stove—see that the name-plate reads "New Perfection."

## New Perfection WICK BLUE FLAME Oil Cook-stove
